Food for Thought...

At the planning meeting for the August assembly Ally and Christoph conducted a workshop on what Area 46 is supposed to do. The question was asked "What Does Area 46 Do?" What a great question! It made those of us in attendance really think about what purpose service at the area level does. Here is an excerpt from the A.A. Service Manual:

Not all areas operate in the same way, but generally speaking, an area's purpose is threefold: 1. To elect a delegate who will represent the area's conscience at the annual General Service Conference, where decisions are made that affect A.A. throughout the U.S. & Canada. 2. To form a local decision-making structure so groups can collectively decide on matters that affect their area. 3. To carry out Twelfth Step work that may not be practical for groups, districts or intergroups to take on by themselves.

During our workshop, all three of these were mentioned in one form or another. Number three really caught my attention during our discussion. One participant put it this way, "Area 46 supports trusted servants." This is so true. Those of us in Area, District service are here to support our fellow trusted servants.

So here is my challenge to all of you... How are YOU supporting your fellow trusted servants?

Coming to a District Near You...

In July I did a workshop/overview of A.A. Service for District 7. We had some great discussions about why service is important. I am talking with a few DCMs about workshops in their district.

Part of my role as your Alternate Delegate is to work with districts of Area 46 to host workshops. I am a ready and willing resource for you!

I would love to do a workshop on any aspect of A.A. service. Some workshop ideas could be GSR orientation for your district; the life of a conference agenda item; why rotation is important; how Area 46 works and many others. I am happy to do a workshop on the same day of Eloy's delegate report, or we can choose another time.

Please contact me at

### Area 46 Presenters at SWRAASA

The Southwest Regional A.A. Service Assembly (SWRAASA) is an opportunity to learn and share about the General Service Structure at the group, district, area, and conference levels, and to share information on the trusted service positions within that framework.

In addition to the three topics and presenters I announced in my report last month, Eloy (our Delegate) and I will also be presenting. I pulled Eloy's topic "out of the hat" at the Southwest Region Alternate Delegate's Committee meeting during SWRDA. I'll keep his topic under wraps for now. At SWRAASA the Alternate Delegates present on a Tradition. I pulled Tradition 9 "out of the hat" and look forward to presenting.

### SWRAASA – Get on the Bus!

My goal is to take a busload of current, future, and past A.A. members in service. This way we could all

ride together to, and from, Tulsa!

At the assembly I will provide a cost update for bus transportation and a sign-up sheet for the bus.

### Servant Leadership Note:

"Another qualification for leadership is "give and take," the ability to compromise cheerfully whenever a proper compromise can cause a situation to progress in what appears to be the right direction."~ Bill W., A.A. Service Manual, p. C30. (from 1959 essay "Leadership in A.A.: Ever a Vital Need")

## OFFICERS

### Chair

Greetings Area 46!

I hope you are all having a great start to your summer.

We held our planning meeting on June 25th in Albuquerque. We began with a workshop that was very informative. I was able to attend a few events and have been busy answering emails and phone calls from all over the fellowship.

I look forward to seeing you all in Socorro. We will be hosting a special guest from the general service board.

I want to thank all of you for your continued hard work and service. As always, I am available to you and your district or group.

Yours In Love and Service,

Ally T., Area 46 Chair

chair@nm-aa.org

### Alt. Chair

Happy August Assembly, Area 46! I hope we are all enjoying the fun and fellowship in fulfilling our Third Legacy responsibility. A big THANK YOU to District 3 for hosting this assembly and putting it all together. And thank you as well to our Area 46 Technology Committee for continuing to present our Area events online — hybrid with style!

Chair Ally and I hosted the Assembly Planning Meeting last month in Albuquerque. In addition to the planning, we presented a workshop/discussion on what Area does for you and what we might be able to do better. The discussion included Area being a “window to the AA world”, sharing more information and news of AA, as well as seeking year-round involvement with our annual General Service Conference. Thank you to all the Trusted Servants (DCM’s and GSR’s) who attended.

### Alt. Chair

In early July, I had the honor of attending the District 6 Summer Picnic and Campout in Sugarite Canyon State Park outside Raton, NM. Those District 6 folks love our fellowship and are doing wonderful service. Our Area Bilingual Committee also made a strong showing and continue to do great work with District 6 and our Area ARC Committee. I was able to present my “Service Story” to the fellowship and also had the honor of being a judge for their green chile cook off (congrats to Marcia!). I had a great time and was happy to attend.

I do hope all of our Area members attend one of the many Delegate Reports our Area Delegate Eloy will be presenting throughout the rest of the year. The report is your opportunity to hear about what happened at this year’s General Service Conference as well as learn about the ongoing issues and agenda items the Conference will address next year. Please always remember Alcoholics Anonymous belongs to us and our Third Legacy gives responsibility to each and every one of us.

In service,

Christoph,

Area 46 Alt. Chair

Great Day to be Sober!

Hello all area fellowship. Hope you all are well in spirit and health. Today I am happy to announce the Area Directory is complete and sent out. One obstacle has been in receiving and submitting pertinent information in a timely manner. I have tried to do my best to add all GSR info, trusted servant, and area chairs. Thank you for your patients. If I have old or wrong info, please send me a text or email with correct info. I also placed a group in the wrong district, sorry Happy Valley group (district 3 not 13). The information that goes into the directory comes from the GSO website date base. I will get these mistakes taken care of with your help and patience. I hope to understand this position before my two years are up.

Service Gladly Rendered,  
Gary J., Area 46 Registrar

*Accessibilities*

Hello area 46,

The accessibilities committee has been asked to reach out to our AA community to find a 3rd edition of the Big Book on CD for a person with a disability. If anyone has CD's of the 3rd addition of the Big Book, please contact me. By the time this report is published I will have attended the 2022 virtual north- south connections Special Forum, I was excited to be a part of that and will give a report to the committee at the assembly in August. We are also considering forming a motion to present to our area " adding the Serenity prayer written in sign language " to the ARC service workbook binder, in hopes to get on the general service conference agenda next year. So please in your prayer and meditation time consider joining our committee in preparing a motion with background info to present to the area in August.... we continue to work with Alejandro our Bilin-

gual Committee chair in continuing to reach and address the language barrier so the alcoholic who still suffers can receive the message. Thank you District 17 for your continued efforts!!!! We attended the District 6 summer picnic on July 9th in Raton. Thank you, Christoph, our Area Alt chair for attending and sharing your experience / workshop on our 3 legacies. There was over 50 people that attended, for a remote community that is amazing!!!!

## BTG

Greetings Area 46!

Your Bridge the Gap committee continues to meet online via zoom (except when your host has his truck battery die on him). We talk about what works, and how we can help each other keep up the networking and reaching out to those contacts coming out of in-patient treatment facilities and correctional facilities returning back to 'normal' life.

Thanks for everyone's efforts in updating the online spreadsheet of Bridge the Gap contacts! We continue to connect those who pass along their information to us and ask us to reach out to them when they are released from those in-patient treatment centers in our Area 46 / New Mexico with AA members. If you would like to be a part of the network of contacts, feel free to email me and I can help connect you with your district Bridge the Gap committee chair who will update your info in the spreadsheet. You may then receive a request to contact such a person coming out of facilities asking for an AA contact. It can be very satisfying service work. Thank you for your support!

Sincerely yours in love and service,

Jon N.,

Area 46 BTG Chair

## El Farolito

Greetings Fellow Trudgers!

First, I must apologize for the page 2 Directory in the hardcopy of last months ELF. I don't know what happened, it just did. I will talk to the printers about it.

After a conversation with Christoph, the prudent reserve will not be a separate account, but a 2-month expense reserve. That will hopefully not be breached, due to your generous contributions. As you can see from the above numbers, a 2-month reserve is \$1,223.45 (\$1,225.00). That leaves the working bank account at \$1,099.70.

Just a reminder that my rotation ends January 1, 2023. It's not too early to start talking with your HP and sponsor about taking over as Editor of the Area newsletter. Even if you have little experience (as I had), it can be done, for Fun and for Free!

Gratefully,

Debra K., Editor

## Finance

Quick report for those that did not attend the Area Assembly in Sororro.

The finance committee reported our findings on;

Research around the 501c3 registration,

Research around individual's or Districts assuming liability by signing contracts for the Area event venues.

As once again I am writing this report prior to these events happening and you are reading after the events happen, it's really hard for me to tell you what happened. I foresee this being a passionate discussion centered around traditions and our legacies. I hope you were there, participated and helped us reach a group conscious on the topics so that we can move forward as an area.

As a follow up I have read and reviewed the reports provided by the Area Treasurer so that I could create the proposed 2023 budget, please reach out to me if you have any questions about any of the above. My area email is Finance@nm-aa.org

Finance committee meetings continue to be held every 4th Thursday of the month at 7:30 pm. August's meeting will be on 8/25.

Yours in service

Mike K.,

## Literature

Greetings Area 46! I hope everyone is keeping cool and making the most of our early monsoons. It sure beats all of the smoke and fires.

First, I would like to apologize for having to cancel our July meeting. I was traveling out of state for work. I sent a message to everyone who has previously attended and to those who have contacted me, but if I missed you or you are new and interested in our committee, please send me a message and plan on coming back in August.

I have no new updates as to the availability of literature, but things were anticipated to begin moving again near the end of June and through July, and I'm hoping that my order of primarily the new 12 Concepts of World Service manuals and Big Books, and the pamphlets in Spanish that were requested at the last Assembly arrive in time for our August Assembly.

During my meditation this morning it came to me that our Delegate, Eloy, served on this year's Literature Committee at our General Service Conference, and there's been a lot of action recently concerning our literature, and a lot of interest within the fellowship about the motions and proposed updates and changes. So, I gave Eloy a call and asked if he would be interested in giving a report from the Conference Literature Committee at our committee meeting at the August Assembly and he agreed! He told me they were very busy at the Conference this year, so if you are one of our members who has been keenly interested in things pertaining to our literature, or just been a curious observer and miss our meeting at the August Assembly, there will be a full report in next month's El Farolito. Eloy will also be traveling to each of the Districts to give his full report, so if you are not aware of when that will be, please

contact your DCM. I'm sure he'll be much better at explaining things and answering questions about their activities than me and I'm looking forward to it!

And finally, I would like to draw your attention to the Service Homepage at NM-AA.org and the "Call for stories from the General Service Office." There are some links that will open instructions for various topics including a call for stories for the upcoming 5th edition of the Big Book. If you are interested in submitting your story for consideration and need some assistance, please do not hesitate to reach out to me at: [literature@nm-aa.org](mailto:literature@nm-aa.org). This is our opportunity to bring our stories of recovery and the AA way of life into the 21st century to reflect our contemporary membership and get representation from the diverse voices and communities here in Area 46 more accurately.

As always, I'm available to assist in any way I can. If you are a new Literature Committee Chair for your group or District and are wondering what exactly that means, I'm happy to talk with you or attend your business or District meeting and help to figure that out with you. If I don't have an answer, I will find someone who does.

Thank you for the opportunity to serve our Area!

Phillip F.

## Technology

Hello Area 46!

It was wonderful seeing everyone at the August Assembly in Socorro. Special thanks to District 3 and all who volunteered to host and produce this event!

The Technology Committee is continuing to look into improving the experience of both in-person and virtual attendees at our hybrid assemblies. If you have feedback, or professional skills in the tech world, please reach out to me directly via [technology@nm-aa.org](mailto:technology@nm-aa.org).

Looking to the future, the committee is also discussing how to make the role of Technology Chair a more manageable commitment for any willing trusted servant. We have polled the delegates in the United States and Canada, and it seems that most Areas are in the same boat - having combined the roles of Website & Hybrid Assembly Production. Several are now considering separating these positions again, or creating subcommittees in an effort to unload some of the responsibility from one person. We, as a committee, are considering how and if this may be necessary for Area 46 as well.

An important note to share with your groups, Districts, and committee members is that you must be logged in to access the service site. Please share these credentials with your treasurers and any interested members:

### District 11

I learned at District 11's July meeting that there are 470 weekly meetings in 89 locations with 185 groups. If you want to know what, where, and when just go to [nm-aa.org](http://nm-aa.org). Looking for events, go to [albuquerqueaa.org](http://albuquerqueaa.org). Speaking of events, the Area 46 Assembly is August 6-7 at the Raymond S. Sarracino Middle School on 1425 El Camino Real Street in Socorro.

Picnic season continues on August 14 from 11:00-2:00 at Harnett Park at the Los Ranchos Village Hall (6718 Rio Grande Blvd NW) thanks to Dawn Patrol. Central Office is in search of a group willing to sponsor the Labor Day picnic. This may reach you a little too late, but just in case, we have found an alternative location to Jemez for our July 30 picnic. This year we gather(ed) at Mariposa Basin Park at 6401 Taylor Ranch Road NW where breakfast is at 8:00, hot dogs and burgers at noon, followed by an AA meeting. What could be better?

The 32nd Annual District 11 Traditions Conference to be held on October 29th at St. Michael & All Angels Church is still in need of a co-chair and a timekeeper. Our theme this year is AA Fellowship – A Tradition of Service. Willing helpers to assist the committees are welcome to attend the next organizing meeting on August 13 (after the District Meeting @ 10:00).

### District 11

There are still two open District chairperson opportunities: Treatment, and Young Persons. Would either of these be a good service opportunity you? Just a reminder, District 11 is meeting Saturday, 9:00 a.m., August 13th at the Mesa View United Methodist Church on 4701 Montano Road NW. Zoom is also an option. You are definitely welcome to attend.

If your group is experiencing Zoom bombings, Lindsay, the Schedule Chair for Central Office, can help with this. You can contact her at [lindsay.morrone@gmail.com](mailto:lindsay.morrone@gmail.com).

With gratitude to all of you,

Tylka

### District 14

Happy August Assembly!

Here's what's happening in District 14 and the Taos area.

The Taos Sober Soul Sisters is now officially an AA group. Having started as an online meeting about two years ago, their collective conscience decided it was now time to become a group conscience. The Sisters elected a GSR (congrats Betsy!) and is now participating with District 14.

The How It Works group (Taos) is celebrating 31 years of carrying the message. Beginning back in 1991 in Gary B's living room, the How It Works group has been helping alcoholics get sober, including Lolo, the self-proclaimed "first sicko", who also celebrated 31 years of sobriety in July and continues to be a group member.

While hybrid technology has allowed some groups to flourish, it can be a bane to others. The Turn It Over Early group, who has been conducting separate live and online meetings, has decided not to go hybrid, and instead will become two separate groups. Meanwhile, the Questa Crossroads group is at a crossroads. They also have been conducting separate live and online meetings. While some members are supporting the "one group, one meeting" hybrid format, other members are strongly against it. This is a developing story and more will be revealed.

In service,

Mr. Easy Does It
