Meetings: (see *Changing Meeting Information* below)

Day	O/C	Additional Information

Changing Meeting Information: To add new meetings, or change existing meetings, use the meetings grid in "New Information." The **Day** column is the day of the week (Mon, Tue, Wed, etc.). The **O/C** column is O for open meeting; C for closed. The **Additional Information** can be things like "Big Book Study", "Discussion", "Step Study", "Speaker", or other descriptive information.

You can have up to **4 meetings** per day of the week. If you want to **CHANGE** an existing meeting, cross out the meeting under "Old Information" and fill in the grid under "New Information". If you want to **ADD** another meeting on a day which already has a meeting, **do not** cross out the existing meeting; simply write in the additional meeting under "New Information."
