Life will take on new meaning. To watch people recover, to see them help others, to watch loneliness vanish, to see a fellowship grow up about you, to have a host of friends — this is an experience you must not miss. . . . Frequent contact with newcomers and with each other is the bright spot of our lives. (Alcoholics Anonymous, p. 89)

It's so fun and humbling to get to see some of the wonderful service work that's going on in Area 46.

Since the March Assembly I've been sitting in on the 2016 Area Convention committee meetings. The dedication of this group is truly inspiring. They are putting together a fantastic Convention for us to celebrate sobriety, to be inspired by speakers, workshops and meetings, and to enjoy the fellowship of our fellow members, all while being surrounded by the natural beauty of Ghost Ranch. If you haven't made plans to attend the 2016 Area Convention, I recommend you go for it!

In the past month I've also had the pleasure of attending the district meetings of District 13 and District 15 — thank you for allowing me to join you! So far I've found that each district I've visited this year has been putting its energy into very different types of service work because the needs within each of these districts are very different. The dedication and care given to the efforts have been very much the same. Finally, I attended the Assembly Development & Fun committee meeting — what an energetic group that is!

Please remember that the Area is here to be of service to the groups and districts, not the other way around. So if you have any questions, need help or support, please don't hesitate to call or drop me an email.

Your grateful servant, Teresa J.

Group Contact Information

We have 32 groups in our Area 46 that are "Unknown"

Unknown means that we show the group as an Active group except that we do not have a GSR contact, or a Group Contact for that group. Without contact information, we cannot send the groups vital information, or newsletters like El Farolito and Box 4-5-9, or Assembly Agenda and Assembly Location flyers.

The cutoff date for the National Directory will be coming up in May, so I am trying to update any new information that I can collect for these "Unknown" groups before the National Directory is printed.

I have reached out to the DCM's in our Area for help, but if you recognize any of the groups on this list, (p4) could you send me any update information that you are aware of. If the group no longer meets, could you let me know that also.

Please submit your completed information to Registrar@nm-aa.org

Archives

Happy Spring to all! It was a great month for Archives! I contacted GSO for the Spanish Archives Workbook and successfully downloaded it and forwarded it to those interested. Noela at GSO Archives is incredibly responsive and helpful. One more visit to the Archives at Central Office helped finalize loose ends and scanning should be starting soon. A woman who had attended the Archives meeting at the Taos Area Assembly contacted me with suggestions and then volunteered as Archives Chair! It's very humbling to be a small part of the big whole.

Suggestions were sent for the District Archive Chairs to drum up interest, and I pass them on to all of you readers: 1) How many years of sobriety are there in your home group? 2) Take a picture of your meeting places and send them to me with pertinent info (time, days, place, format). I'd like to add a collage of meeting places or clubs from around the state to the Archives display.

The highlight of the month was my first group history interview. Hearing his story and how he started groups to help others feel a part of was very awe inspiring. Olivia and I can't wait for the next one!

I will be visiting a couple more districts that don't have archive chairs in May. I love observing how your district is so much like my district, and yet different.

Someone (Tim?) requested copies of pictures of Bob and Bill during the Taos Area Assembly. I have the copies, but misplaced your address, so please send me an email. As always, if you are interested in a history presentation, workshop, JeepAArdy game or myths of AA, please contact me. I'd love to come visit your district!

Gratefully yours in Service,
Michelle B

Bridge the Gap

The BTG committee must be flowing pretty well, I haven't received many phone calls or emails this month! Thank you District 15 for contacting me with your new chair information. District 7 will be hosting a BTG, Corrections and Treatment workshop on May 21st with a potluck lunch starting at noon and the workshop starting at 1pm. The workshop will be held at Dry Harbor, 200 East Van Buren in Roswell. Please feel free to come out and join us. Also any other Districts who are interested in hosting a workshop with these combined committees feel free to contact David, Paul or myself. We are here to serve.

In Love and Service, Nicole R.

It is an honor and a privilege to serve as Coordinator of the Bilingual Committee.

We are grateful for the opportunity to learn and surround ourselves with some of the most dedicated members of A.A. We have support from many of you through your experience and guidance when necessary.

Thanks to the members from of the English-speaking A.A. Community (7) that attended the Third Anniversary of Group Pasos A La Libertad. Also thanks to those who interpreted; it was an incredible challenge.

We hope that our efforts will lead to unity. We give an ear to those who come to us with their thoughts, needs, ideas and solutions in regards to the Area and its Committees, Groups, Districts and their Committees.

We have much to do and we hope that we will be able to do so with enthusiasm, a cheerful attitude, and love of service.

This Committee will meet in the Oficina Intergrup. The next meeting will be held on Tuesday, May 24, 2016 at 5:00 P.M. Any Alcoholic Anonymous member who is interested is welcome to attend.

Esperamos que nuestros esfuerzos nos lleven a la Unidad. Escuchamos a aquéllos que se acercan a nosotros con ideas, necesidades, sugerencias y soluciones con respecto al Área y sus Comités, los Grupos, Distritos y sus Comités.

Tenemos mucho que hacer y esperamos poder hacerlo todo con gusto, alegría y amor al Servicio.

Corrections

It has been slow since the March Assembly. The LCCF (prison here in Hobbs) has been locked down a lot. The meetings at the County Jail have been strong and well attended.

Nicole R. (Bridge the Gap Chairperson) and I are blessed to have a workshop to do in Roswell on Sat., May 21st at The Serenity Club, 1000 E. Bland. Please join us.

The next volunteer training will be held in Albuquerque on Sat. June 11th from 8:00am to 12:00pm at the New Beginnings Church, 3601 Montgomery Blvd. NE.

Looking forward to seeing some of you at the Convention in June. As always if you have any needs that I can help with please contact me.

Yours in Service, David D. Area 46 Corrections Chairperson 575-441-5679.

CPC

It's been kind of quiet here lately. Have been working on a meeting in Albuquerque with a group of physiologists, they are looking for a line of communication and cooperation with our fellowship. The meeting will be on April 29th at 3pm., and working with District 8 CPC chair with setting up a panel group to meet every quarter at one of the local counseling services for OIP. We are looking at something similar to what we have been doing with the drug court program. Only condensing it down to an hour and a half once every three months.

Would love to get together with some of the CPC chairs in Area 46 to put on a workshop; so, if anyone is interested please let me know. Topics ranging from the traditions to how to contact professionals and to work with professionals. Getting into service has done so many things for my personal sobriety. Thank you all for being in on this journey.

Mikel W., Area 46 CPC Chair.

\$175 travel expense to assembly and \$20 to orientation. \$190.00 Total expenses to report

Service Committee Reports

Finance Committee

I recently looked at the pamphlet Circle of Love that shows how all areas of our fellowship work together with one common goal; to help the alcoholic who still suffers. It made me really start thinking about how Area 46 supports AA in New Mexico.

Our Area has 15 standing committees that serve the districts and groups in our state. That in itself is pretty awesome! The Area also supports our other Trusted Servants which include the Area Chair, Alternate Chair, Secretary, Registrar, Treasurer, Delegate and Alternate Delegate. We provide seed money for the Convention and quarterly Assemblies. This work is all done on a relatively small budget. As a new GSR or DCM I didn't have a firm grasp regarding the work that is done on a shoestring.

Without the dedication, work and caring of all our Trusted Servants we would not be able to work toward that common goal of service to the still suffering alcoholic. The job of your Treasurer and Finance Chair is to ensure that these funds are safe-guarded and are handled in a responsible manner. With the Finance Committee members and our past Delegates that have a wealth of knowledge we are able to help the Area fulfill the services mandated by the Assembly.

In Grateful Service, Ruth G Finance Chair

Literature

We apologize the last couple issues of El Farolito had no Literature report. I was having problems with my server.

The Literature committee has had activity since the March assembly. The literature chair for the Albuquerque, Downtown Lunch Bunch group, donated a box of pamphlets, so they were distributed to the different committees they served. Our District 3 literature chair took the pamphlets to the District 3 meeting. We also assisted a group from Portales to make their first GSO order, not using Amazon. They contacted our web chair and web chair sent the question to us.

A \$850.00ish book order was made and received. We will have a lot of books available at the State Convention at Ghost Ranch. Be sure and inventory your stock. District 6 ordered 5 soft cover, big books for their Corrections Committee. The literature committee is also looking into what special needs literature is available and will send information to Intergruop.

If there's a book, pamphlet, CD or DVD that you'd like to know more about let us know. Email us at:

Special Needs

Some AA Districts are attempting to meet special needs by forming Special Needs Committees. Since the goal is to make AA accessible, research shows that some committees refer to themselves as Special Needs or Accessibilities Committees. When one or more members of a group have special needs, AA members from that group will attempt to see that those needs are met. The members of a Special Needs Committee explore, develop and offer resources to make the AA message and participation in our program available to everyone who reaches out for it. Special Needs Committees at the group level are encouraged to keep their District and local Central/Intergroup offices informed of their activities. It is also helpful to work closely with committees handling Public Information and Cooperation with the Professional Community in terms of keeping the public and appropriate agencies informed about AA being accessible to alcoholics with special needs.

We encourage Groups and Districts to complete the “Special Needs Survey” in efforts to assess how well special needs is being addressed. You can download a copy (both Group and District) surveys and/or complete the survey online from the New Mexico AA Area 46 website’s Special Needs page. We suggest that you share your findings with the Area Special Needs Committee.

At the March Area Assembly, there was discussion regarding “Shut-ins”, which are mobile groups that volunteer to take a regular A.A. meeting to those members who will be home bound or hospitalized for a long period of time. These members of our fellowship may consist of our old-timers, and we should not let them disappear because they can no longer attend meetings. It may be a member who has a chronic illness or is bed ridden due to an accident. Whatever the reason may be, they can no longer attend A.A. meetings for fellowship they need. It would be ideal if we had Mobile Groups in each district. It could prove to be such rewarding 12 Step work.

Please know that myself and committee members are available to speak at your District or provide a workshop to inform members of special needs efforts in your respective community. Feel free to contact me with any questions.

In the spirit of service, Lawrence M., Area Special Needs Chair

Treatment

The Treatment Committee has not participated in workshops or other events this rotation although the Spring will bring more activity. In the meantime, I have been contacting various treatment facilities so the district has an accurate list. The updated list will be posted online at <http://www.nm-aa.org/> in May. If your group has a facility you are taking meetings into and for some reason cannot continue please let me or your treatment chair know and we will try to find another group to assume the commitment. If you have any information on new facilities, or facilities requesting AA to take meetings in, drop me an email at “treatment@nm-aa.org” so I can update the list. Please contact me anytime if you would like any information on treatment or help with workshops, etc.

Since its beginning in 1935, the Fellowship of Alcoholics Anonymous has cooperated with treatment facilities. Bill W. himself was a product of a treatment facility—Towns Hospital in New York City. After he had finally put together several months of sobriety, Bill returned to Towns to try to work with other alcoholics. This was the beginning of A.A.’s Twelfth Step work in hospitals.

In Service, Paul P *Treatment Chair*

Young People

Hope everyone is having a great month. It has been an exciting month for the committee. We have been able to move forward on some of the projects we had discussed at our last meeting, and at the area assembly. I am excited to say that we have taken a big step forward in the video we are making for GSO, and have completed filming. This is a huge step, but there is still the process of editing to be done. I look forward to showing the area the completed project when we get there.

Another exciting development has been the creation of a sub-committee that is going to focus on making a pamphlet that will discuss anonymity on social media. If you have any experience with this that you would like to share, or if you are interested in the project please contact me at ypaa@nm-aa.org.

Our committee usually meets once a month in Albuquerque. I am going to try to put the information about those meetings time and location on the website. If you would like to join us please feel free, we would love to have you. I know that Albuquerque is not an accessible location for everyone to meet, but if you would like to attend via online, video call, we can arrange that. If you would like more details about any or all of the projects the committee is working on, please contact me. I would love to fill you in.

God Bless, Mike L.

Ad Hoc Assembly Development and FUN Raising

Since the March Assembly, our committee has been studying the 86 evaluations which you all submitted about our first Pre-Conference. Thanks again to all of you who responded and for your positive feedback. In last month's *El Farolito*, I reported the committee's tabulation of your answers to the objective questions; this month I am sharing our analysis of your narrative comments.

The comments were primarily about the following concerns:

1. The Conference agenda topics and the background material need to be distributed earlier so they can be discussed by GSRs with their groups and studied by the area committee chairs in preparation for the assembly.
2. There needs to be more information about the Pre-Conference process. These things were suggested: have written information available at the Assembly; ask our Delegate to amplify his remarks on Pre-conference at the beginning of the Assembly; insure that those leading discussion of agenda topics are fully prepared.
3. Some committees had too many agenda topics and the issues were not clear.
4. Change the dates of the March Assembly to later in the month to give more time for study of the agenda topics.
5. Some responders felt there was too much repetition of the same agenda topics - in the committee meetings, at the Sharing Session, and in the Sunday committee reports. Others thought the repetition was necessary to fully understand the issues.

We will be working with our Delegate and the Area Committee chairs on ways to address these issues over the next few months so that the Pre-conference in 2017 will be even better!

Respectfully submitted,
Jaclyn S., Chair

District 2 - Santa Fe

First things first, I want to thank Analee for her service to our District and to the Area by being our local El Faralito reporter. We will miss you! Kate, who knows service will help her sobriety is coming on next month, and we are all really grateful to her too.

Things are hopping in District 2 as we get ready to host the September Assembly. We have a devoted team of people with a lot of experience in these things. You should be especially drooling about Kit K's kitchen line up for "Fun" raising this summer, prior to the Assembly and at the Assembly itself. Newcomers are especially welcome to help.

We had 20 GSRs, five of them new to their rotation. Two of our meetings continue to support babysitting in addition to the 7th Tradition baskets. We want to be available to all who suffer alcoholism. We talked about making group inventory as a way to get to lingering issues like the spirit of rotation and ongoing conversations about formats.

Our Committee Chairs are full at this time, with Jacqueline downsizing her PI/CPC commitment to coordinating the monthly DUI speakers and Kathleen taking on the literature and outreach service. Thank you to you both!

Our Young People Committee has secured a speaker panel for the local Juvenile Detention facility and is recruiting volunteers and looking for a meeting to sponsor a meeting there. Joe, our chair is looking for an alternate to spread the benefits of this service

Our Special Needs committee is on fire, reaching out to those who are sick and might like a meeting at the bedside. They also have a special interest group of cancer survivors who are making themselves available to carry the message of AA recovery to those who might be struggling with the specific challenges of living with cancer. Thanks, Maureen R. and all who are participating in this new effort!

Our pre-District Meeting Concepts Study is on Concept 9, we're reading Bill's essay on Leadership.

And finally, please be sure to come to our Sponsorship Workshop on May 14, 1:30-3:00 at the Friendship Club. There will be a panel of people who sponsor and are new to having a sponsor. The participants will be drawn from our groups, through anonymous suggestions and a random selection. The discussion will be led by Alan, former Area 46 Delegate. We passed out index cards for GSRs to take to their groups to ask anonymous questions. It will be entertaining, informative and inspiring.

Warmly, in service, Kristina F. District 2 DCM

District Reports

District 3—Belen, Los Lunas, Socorro

Our April District meeting was very interesting. We were invited to participate with the other districts around Albuquerque to hear Jim H. give his Delegate's Report. Since this made more sense for us to get together and host this at one location, then to have Jim travel multiple times to each district and/or meeting, we agreed. We were also invited by these districts to be a part of the host committee for a potential bid on the 2017 Area Convention. With the information we were given, we decided to get with our groups and get their input on it before making a decision. It would be nice to have a convention in a fairly central part of our State and it has been awhile since Albuquerque has hosted a convention. It sounds like a good idea but we need to consider our group members and see if we have enough people who would like to volunteer for this. In any case, there are a lot of people who are ready to get to work on it already, if we get the bid. Stay tuned...

On the District 3 front: There's been a lot of anniversary celebrations lately and one of our groups have been hosting workshops for their group's improvement, and these are going very well for them. Our District Chairpersons are continuing to stay fired up and bringing us a lot of good information to take back to our groups. Thank you, to all these new trusted servants who have volunteered to do this important service work. It is appreciated...thank you. And having said that, please be aware that there are a lot of opportunities to do service work somewhere. If you've thought about it...get with your GSR and they can pass that information on to us. Thank you!

In closing, I'd like to remind our district meeting members that the May District Meeting will be hosted by the Cosmopolitan Group on Saturday, May 14th, at the Rio Grande Presbyterian Church, 600 Coors Blvd. in Albuquerque. Potluck at 1:30 pm and meeting at 2pm. Hope to see you all there.

In Service, and gratitude, Carmen O. – District 3 El Farolito Rep

District 6—Las Vegas, Clayton, Raton

Our Traditions workshop and potluck, planned for April 24th, has not come up as of this writing, but with Eloy M. and Theresa J. alternating with each other on the Twelve Traditions, I believe we will have had an interesting session along with the good eats of the pot luck. We expect by the time you read this that it was well worth attending.

We have been invited by the Alta Vista Regional Hospital to have an information table at their health fair at the Las Vegas Recreation Center on May 25th. We have requested a table and two or three chairs for our space and we will have racks full of AA Literature and two or three members there to field questions and concerns from fair attendees from 10:00 am to 2:00 pm. We no longer seem to have the larger display cards we used to have for this in the past.

June 3-5, we will have at least three of our Committee members in attendance at the Area 46 Convention at Ghost Ranch. One member of our Committee (Tony, Meredith or Frances) will be picking up some paperback big books from Manuel Padilla, Area Literature Chair. These will be taken to women inmates at the San Miguel Detention Center. Our Corrections committee has succeeded in setting up a meeting in the women's pod there. They are still working on setting up a meeting for the men at the Detention Center.

We have reserved the River Ground Shelter at Storrie Lake for our annual picnic which is set for June 18th from 10:00 in the morning to late afternoon. We will be providing coffee, burgers and hot dogs and their fixings. Otherwise it will be pot luck, as usual. Jim H., Area Delegate, will be with us to give us his report on the General Service Conference. We are hoping people will bring their musical instruments and outdoor games along, too. Everyone is welcome. The park charges \$5 for cars driving into the park, so we recommend carpooling. We will ferry people up from the road if they can't pay the way in. Just call our hotline number, 505-425-3577 and wait for us to come get you. Everyone is welcome.

District 6...

Also coming up in June is the June 26th District 6 *El Farolito* mailing party which will take place after our Sunday noon meeting at Highlands Happy Hour meeting in Las Vegas NM. This is a matter of sticking address labels and postage on the July issue to prepare it for mailing. If we can get about ten people to help, we expect it to take only a couple of hours to get done. This meeting place is a good place to do this. There are big strong tables and lots of chairs and a nice roomy space to work in there. Coffee and treats will be available, too.

Las Vegas women's group, Serenity Group, needs support. Las Vegas newcomer's group, Keep it Simple, has ended, and we have heard nothing from Land of Enchantment Group in Raton or In the Solution Group in Springer for a while. We understand the rest of the meetings in District 6 seem to be getting along fairly well and we hope they are too.

Keeping HALT in mind, Mary M. District 6

District 7 - Roswell, Artesia

Howdy, and you were wondering if we were no more? Well we aren't!! I did the ELF many years ago and I am grateful to be back in the saddle again. It was a nice challenge then and I am sure it will be again.

A lot going on here in District 7--First and foremost, we are hosting and invite everyone to our potluck/workshop on May 21, 2016. The area chairs will be speaking on Corrections, Treatment and Bridge the Gap. An abbreviated monthly district meeting @ 11:00. Potluck kicks off at 12:00 in Dry Harbor Club (202 E Van Buren) Roswell, NM. 88201 and the Workshop starts at 1:00. Come and join us for a very fun-and informative day with food, fellowship, and lots of info.

Happy Trails from A Blessed Trusted Servant, Cheryl W.

District 8 - Farmington

Last month I mentioned that the new DWI Court program would begin in April, though it is not up and running yet. The process has started and I'll keep you informed of its progress. The Emotional Sobriety workshop will be held May 14 at The Well. It goes from 9 AM to 3 PM, with a potluck lunch. Please bring a dish to share.

Groups in our district have been asked by the DCM to do group inventories. Two examples of inventories were emailed to those on the district list. Please take these to your group conscience and review the items. John T., our district archives representative, will begin to interview old-timers with at least 25 years of sobriety. If you are interested in sharing your story, you can contact John. The men's jail meeting is active again; it meets on Wednesdays at 7 PM. Patrick O. is the representative and welcomes those who would like to be of service in this way.

The idea of a local source for literature was brought up at the meeting. One person has volunteered to be the district literature representative and would order large quantities of AA literature. A motion to establish a literature representative position was passed. Each group will be able to buy books and pamphlets in any amount and save on postage through this method.

The District 8 annual picnic is scheduled for Sunday August 7 from 10 AM to 4 PM. Both shelters at Kiwanis Park on 30th Street are reserved. We are in need of a coordinator for the picnic planning committee, so if you're interested, come to the District 8 meeting on Thursday, May 12, 7 PM at 865 N. Dustin.

Yours in sobriety, Andrea G

Tohatchi is hosting their annual **Men's Retreat** for alcoholics. This group of men have been meeting for many years. Last year over 50 men arrived from Texas, California and other areas around the country for a weekend of food, fellowship, sweat lodge and good AA. There is a lot of great sobriety in this group and newcomers are more than welcome. The retreat is the **weekend of May 13, 14 and 15**. Lodging is in your own camper or in one of the Tohatchi Mission's trailers, opened up in service for this important weekend. Contact Walt L. for more information: 505-898-7271.

For the month of May, the Ft. Defiance, AZ group, part of District 9, will hold their speaker/potluck meeting a week earlier than usual due to all the graduations at the end of the month. Speaker starts at 6:00 p.m. on **May 20th** followed by potluck dinner. Paul H. will be speaking at this meeting before he leaves us to move on to warmer schools. Consider a travel meeting to catch a great group and a great dinner.

As always, save the date for the District 9 Sobriety Gathering Weekend October 7-9th, 2016.

Greetings, from District 12. We have been absent from El Farolito, but we are happy to have the position filled. We have been transitioning to our new District Trusted Servants and still have a few more vacant District level positions to fill. Our new Trusted Servants are very active in their positions. We appreciate their enthusiasm. Our Bridge the Gap and Treatment chair our working together on a letter to send AA pamphlets and other AA information using a PI format. Groups are continuing to work on their histories. Our former District Archivist did a great job collecting the histories completed to date and will work with the next person to step up to this position.

We give a big shout out and thanks to our past DCM Jacqueline S., she did a great job getting District 12 organized and was instrumental in developing the District 12 Information Pamphlet. We are very grateful for her service. District 12 was accepted for the Bid for the March 4-5, 2017 Assembly. The District has established a committee that has been meeting and is working with Area to finalize the location. Thank you Paul G. and your committee for stepping up to the plate! We will share more information each month as this process unfolds.

We are very excited with the prospect, along with other Districts, of hosting the 2017 convention. DCM Paul C. has been networking with Districts 3, 12, 18, 11 and other Districts so that we may make a bid for the September Assembly. We were very pleased to have Area 46 Chair Theresa J. attend our monthly meeting. She has provided us with convention guideline materials from AIP, GSO, and Area 46. She stated that Area 46 "is there to help serve us and not the other way around." We are grateful to have her guidance and support.

If anyone is interested in supporting us in or endeavor to host the 2017 convention, please attend or next meeting on May 14 at St. Thomas of Canterbury. You may also email Paul at district13@nm-aa.org if you have inquiries.
